

Jubilee Arts

In-person safety protocol:

In-person classes guidelines:

Masks: These will be required for everyone inside the building **IF YOU ARE EXPERIENCING FLU LIKE SYMPTOMS.**

Mask Can be Provided:

****while supplies last; please provide your own whenever possible***

Screening Questions:

If you have been exposed and/or are feeling any symptoms, please do not come to Jubilee Arts but we look forward to having you in our space next time!

Hand Sanitizer: Everyone will use hand sanitizer when entering the space

Cleaning: Studio spaces and entryways will be sanitized before and after each class with

Capacity: For all classes, there will be a teaching artist and staff person present. Our policy is to always have a minimum of two staff (one teaching artist, one Jubilee Arts team member) people present during classes.

Visual art studio: 10 students and min 2 staff

Dance studio: 15 students and min 2 staff

Vaccination and Testing: All staff and teaching artists are strongly encouraged to be vaccinated and provide documentation of their vaccination status.

For youth participants:

Parents/Guardians: Parents are permitted inside the building with their children we encourage parents to help with classes if student is having a hard time adjusting. If student is not feeling well please monitor symptoms at home and return in the following week. If you would like to see the space before the class please email to request a time

to see the visual art space in advance.

Drop Off and Pick Up:

Sign your child in and out at the corresponding door.

Visual art classes: Side door drop off and pick up (on Presstman Street)

Dance Classes: Front Door of Jubilee Arts (on Pennsylvania Ave)
